

UON: The hub and home of Champions

The University of Nairobi has been in the fore front offering Quality and Holistic education in the region for the past six decades. Fashioned on a foundation of unity and work (Unitate et Labore), the University has overseen the development of thousands of graduates making a difference in diverse spheres in different capacities. The University currently has over 30 Faculties, Schools, Institutes, and Centres and offering more than 300 Programmes at certificate, diploma, bachelor, masters or PhD levels.

University of Nairobi at a Glance

- Pioneer institution of University education in Kenya, having been started in 1956
- Recently ranked 1st in the region and 7th in Africa
- Runs eight campuses in the city and its environs, Kisumu and Mombasa Campuses
- About 2,052 Academic Staff who are experts in their specialty areas
- 174,414 Alumni
- Modes of teaching include face-to-face, Open and Distance Learning as well as e-learning

Admissions Supplement September/October 2015 Application Deadline: 26TH June 2015
The University of Nairobi Invites Applications for the Following Undergraduate Programs

COLLEGE OF AGRICULTURE AND VETERINARY SCIENCES FACULTY OF VETERINARY MEDICINE

BACHELORS PROGRAMMES

BACHELOR OF VETERINARY MEDICINE

Admission Requirements:

Applicants must fulfill any one of the following minimum requirements:

1. C+ in KCSE with at least C+ (plus) in Biology or Biological Sciences and Chemistry and any one of the following subjects: Mathematics, Physics or Physical Sciences or Agriculture.
2. Two principals and one subsidiary pass at KACE level or equivalent, one of which must be in Biology and the other in any science subject.
3. C (plain) in KCSE with an ordinary Diploma in Animal/Human Health, Agriculture or Medical Laboratory Technology from a recognized institution.
4. Bachelor of Science degree in a Biological Science from a recognized institution.
5. Any other qualification equivalent to any of the above, subject to approval by the University of Nairobi Senate.

BACHELOR OF SCIENCE IN WILDLIFE MANAGEMENT AND RELATED OPTIONS

Admission Requirements:

Applicants must fulfill any one of the following minimum requirements:

1. C+ in KCSE with at least C (plain) in Biology or Biological Sciences and any one of the following subjects: Mathematics, Chemistry, Physics or Physical Sciences or Geography.
2. Two principals and one subsidiary pass at KACE level or equivalent, one of which must be in Biology and the other in any Science subject.
3. C- in (minus) in KCSE plus a Certificate and Diploma in a biological science from a recognized institution.
4. Bachelor of Science degree in a Biological Science from a recognized institution.
5. Any other qualification equivalent to any of the above, subject to approval by the University of Nairobi Senate.

BACHELOR OF SCIENCE IN LEATHER SCIENCE & TECHNOLOGY

Admission Requirements:

1. Applicants must fulfill any one of the following minimum qualifications:
2. C+ in KCSE or equivalent with at least a C (plain) in Chemistry, and any one of the following subjects; Biology or Biological Science, Physics or Physical Science, Agriculture or Mathematics
3. C- in KCSE or KCE Div. III or equivalent plus a Certificate and Diploma a relevant field from an institution recognized by the Senate
4. 'O' level Division II or equivalent with the subjects indicated above; plus a Diploma in a relevant field from an institution recognized by the Senate
5. Diploma in Leather Technology or relevant field from the University of Nairobi or institutions recognized by the Senate and a mean grade of C in KCSE or equivalent

6. A' level with two principal passes or equivalent in Chemistry, and Biology, or Physics or Mathematics, or Geography
7. Higher National Diploma in Leather Technology, Laboratory Technology or relevant field from institutions recognized by the Senate and a mean grade C in KCSE or equivalent.
8. Bachelor of Science degree in a biological science from a recognized institution
9. Equivalent qualifications to the above from institutions recognized by the University of Nairobi Senate

BACHELOR OF SCIENCE IN FISHERIES AND AQUACULTURE MANAGEMENT

Admission Requirements:

Applicants must fulfill any one of the following minimum qualifications:

1. C' in KCSE with at least C (plain) in Biology or Biological Sciences and any one of the following subjects: Mathematics, Chemistry, Physics or Physical Sciences, Geography or Agriculture
2. C- (minus) in KCSE or KCE Div. III with a Certificate and Diploma in a related field from an institution recognized by the Senate
3. 'O' level Division II or equivalent with the subjects indicated in 1 above; plus a Diploma in a relevant field from an institution recognized by the Senate.
4. Diploma in Biological Sciences or relevant field from an institution recognized by the Senate and a mean grade C in KCSE or equivalent
5. 'A' level with two principal passes or equivalent in Biology, and any one of the following subjects; Chemistry, Geography, Physics or Mathematics.
6. Higher National Diploma in Biological Sciences or relevant field from an institution recognized by the Senate and a mean grade C in KCSE or equivalent.
7. Bachelor of Science Degree in a Biological Science from a recognized institution
8. Any other qualification equivalent to any of the above

4. Holders of a credit pass certificate in animal health/agriculture from institutions recognized by the University senate with at least an aggregate of C- at KCSE or Division III at KCE.
5. Holders of a diploma in biomedical discipline recognized by University of Nairobi senate.
6. Any other equivalent qualification recognized by University of Nairobi senate.

DIPLOMA IN LEATHER TECHNOLOGY

Admission Requirements:

1. Kenya Certificate of Secondary Education (KCSE) aggregate of C with a grade of at least C- in Chemistry and any one of the following subjects; Biology Physics or Physical Science
2. KCSE mean grade C- with at least grade C- in Chemistry or equivalent plus a Certificate in a relevant professional field from institutions recognized by the University of Nairobi Senate
3. "A" level Certificate with a minimum of two subsidiary Pass one of which must be in Chemistry and the other in Biology, Physics of Physical Science
4. Any other qualification recognized by the University of Nairobi senate

DIPLOMA IN VETERINARY PUBLIC HEALTH AND MEAT TECHNOLOGY

Admission Requirements:

The common admission requirements for diploma courses in the Faculty of Veterinary Medicine of the University of Nairobi shall apply. Applicants with any one of following minimum qualifications shall be admissible:

1. Kenya Certificate of Secondary Education (KCSE) mean grade C or equivalent with at least grade C- in Biology and any one of the following subjects; Chemistry, physics, mathematics, geography or Biological Science.
2. KCSE mean grade C- with at least grade C- in Biology, and any one of the following subjects; Chemistry, physics, mathematics, geography or Biological Science) plus a Certificate in a relevant biological discipline from an institution recognized by the University of Nairobi Senate.
3. Kenya Certificate of Education (KCE) Division III or equivalent with at least a pass in Chemistry and Biology.
4. 'A' level with a minimum of two subsidiary passes or equivalent; one of which must be in Biology, and the other in Chemistry, Physics, Mathematics, or Geography.
5. A Certificate in Animal Health from an institution recognized by University of Nairobi Senate.
6. Equivalent qualifications to the above from institutions recognized by the University of Nairobi Senate.

DIPLOMA PROGRAMMES

DIPLOMA IN ANIMAL HEALTH AND PRODUCTION

Admission Requirements:

The common admission requirements for diploma courses of the University of Nairobi shall apply. Applicants with the following qualifications shall be admissible.

1. Holders of a Kenya Certificate of Secondary Education (KCSE) aggregate of C and a grade of at least C in Biology or Biological sciences, Chemistry or Physical Science and any of the following science subject: Mathematics, Physics or Agriculture.
2. Holders of Kenya Certificate of Education (KCE) Division II with at least a credit in chemistry, biology and any other one science subject or Physical Science or Agriculture.
3. Holders of an "A" level certificate with a minimum of one principal pass and at least a subsidiary pass in biology and chemistry.

Visit our website – <http://www.uonbi.ac.ke> For extensive up to date information on all our programmes

COLLEGE OF AGRICULTURE AND VETERINARY SCIENCES

FACULTY OF AGRICULTURE

BACHELORS PROGRAMMES

BSc. AGRICULTURE

Admission Requirements

- Holders of Kenya Certificate of Secondary Education (KCSE) with mean grade of C+ or equivalent with passes at C plain or above in Biology or Biological Sciences and any one of the following subjects: Chemistry, Physics, Physical Sciences, Mathematics, Agriculture or Geography.
- Holders of KCSE mean Grade of C-or equivalent plus a Certificate and Diploma in a relevant field from an institution recognized by the Senate.
- Holders of O level Division II or equivalent with subjects indicated in 1 above; plus a Diploma in a relevant field from an institution recognized by the Senate.
- Holders of A level with two Principal Passes or equivalent in Biology and any one of the following subjects: Chemistry, Physics, Geography or Mathematics.
- Holders of a Diploma in Biological Sciences or related sciences from an institution recognized by the senate and a mean Grade of C plain in KCSE or equivalent.
- Holders of a Higher National Diploma in Biological Sciences or related sciences from an institution recognized by the Senate.
- Holders of a Bachelor of Science degree in Biological Sciences or related sciences from an institution recognized by the senate

BSc. FOOD SCIENCE AND TECHNOLOGY

Admission Requirements

- Holders of KCSE with mean grade of C+ with passes at C or above in Biology, Chemistry, Maths or Physics or Geography and one of the following subjects: English, Kiswahili, Physics (if not included above), History and Government, Geography (if not included above) CRE, Computer studies, German, Music, Islamic Religious Education, Hindu Religious Education, Home Science, Art and Design, Agriculture, Aviation Technology, French Arabic, and Business Studies.
- Holders of KACE or equivalent with minimum 2 Principal Passes in Biology and Chemistry and at least a subsidiary pass in Mathematics or Physics. If Mathematics or Physics was not offered at KACE, then it is accepted at Ordinary Level but with a minimum of Credit pass.
- Holders of Diploma in Biological Sciences or related Sciences from a recognized institution, with KCSE mean grade of C and above.
- Holders of a degree in Biological Science or related Sciences from a recognized University

B.Sc. FOOD NUTRITION AND DIETETICS

Admission Requirements

- Holders of KCSE with a mean grade C+ and a minimum of C+ in Biology or Biological Sciences, Chemistry or Physical Sciences, Mathematics or Physics and English or Kiswahili.
- Holders of Diploma in Nutrition and Dietetics or Nutrition and Food Sciences or equivalent with KCSE mean grade C+ or above.
- Holders of 'O' level Division I or II or equivalent with the subjects indicated in 3.1 above; plus a Diploma in Nutrition and Dietetics or Nutrition and Food Sciences from an institution recognized by the Senate
- Holders of 'A' level with two Principal Passes or equivalent in Biology and any one of the following subjects: Chemistry, Physics, or Mathematics
- Holders of a Bachelor of Science degree in Biological Sciences or related sciences from an institution recognized by the Senate.

BSc. HORTICULTURE

Admission requirements

1. Holders of KCSE with mean grade of C+ with passes at C or above in Biology, Chemistry, Mathematics or Physics or Geography, and any one of the following; - English, Kiswahili, Physics (if not included above), History and Government, Geography (if not included above), Christian Religious Education, Islamic Religious Education, Hindu Religious Education, Home Science, Art and Design, Agriculture, Aviation Technology, Computer Science, French, Germany, Arabic, Music, Business Studies.
2. Holders of K.A.C.E or equivalent with minimum 2 principal passes in Biology and Chemistry and at least a subsidiary pass in Mathematics. If Mathematics was not offered at K.A.C.E, then it is accepted at Ordinary Level but with a minimum of a credit pass.
3. Holders of a Diploma in Biological Sciences or related sciences from a recognized institution with credit or distinction, with KCSE mean grade of C or above.
4. Holders of a degree in biological sciences or related sciences from a recognized University

BSc. AGRICULTURAL EDUCATION AND EXTENSION

Admission Requirements

- KCSE with mean grade C+
- KCSE with mean grade C- plus a Certificate and Diploma.
- O Level Division II plus a Diploma.
- O Level Division III plus a Certificate and Diploma.
- O Level Division III plus a three-year Diploma from post secondary Institution.
- Diploma and an aggregate of C plain in KCSE.
- A Level with minimum two principal passes.
- CPAII/CPSII/CIPS for Commerce and Arts and with aggregate of C in KCSE or Division III.
- Primary-one (P1) certificate.
- Higher National Diploma and an aggregate of C in KCSE.
- A degree in biological or related sciences, KCSE mean grade C plus or equivalent in Mathematics and Biology is necessary for those who wish to become graduate teachers.

Graduates for teaching in schools/agricultural institutions taught in collaboration with School of Education and Centre for Open and Distance Learning and e-learning with materials in print and electronic communication. Teaching and Farm Practice recommended. Fee KSh.7,500.00 per course unit.

BSc. AGRIBUSINESS MANAGEMENT

Admission Requirements

1. Mean Grade of C+ in KCSE and passes at C or above in Biology or Biological Sciences, Physics and Chemistry, or Physical Sciences and Mathematics.
2. Holders of KACE with two principal level passes, one of which must be in mathematics.
3. Holders of diploma from recognized agricultural and veterinary college with passes at credit or distinction.
4. Holders of a degree from a recognized university.
5. Holder of a Higher National Diploma from a recognized institution.

BSc. MANAGEMENT OF AGRO-ECOSYSTEMS AND ENVIRONMENT

Admission Requirements:

1. KCSE with mean grade of C+ with passes at C or above in Biology, Chemistry, Maths or Physics or Geography, and one of the following subjects: English, Kiswahili, Physics (if not included above), History and Government, Geography (if not included above), CRE, Computer Studies, German, Music, Islamic Religious Education, Hindu, Religious Education, Home Science, Art & Design, Agriculture, Aviation Technology, French, Arabic, Business Studies
2. KACE or equivalent with minimum 2 Principal Passes in Biology and Chemistry and at least a subsidiary pass in Mathematics or Physics. If Mathematics or Physics was not offered at KACE, then it is accepted at Ordinary Level but with a minimum of a Credit Pass
3. Diploma in Biological Sciences or related sciences from a recognized institution with credit or distinction, with KCSE mean grade of C or above
4. Degree in biological sciences or related sciences from a recognized University.

BSc. RANGE MANAGEMENT

Admission requirements

1. Holders of KCSE with mean grade of C+ with passes at C or above in Biology, Chemistry, Maths or Physics or Geography, and one of the following subjects: English, Kiswahili, Physics (if not included above), History and Government, Geography (if not included above), CRE, Computer Studies, German, Music, Islamic Religious Education, Hindu Religious Education, Home Science, Art & Design, Agriculture, Aviation Technology, French, Arabic, Business Studies.
2. Holders of KACE or equivalent with minimum 2 Principal Passes in Biology and Chemistry and at least a subsidiary pass in Mathematics or Physics. If Mathematics or Physics was not offered at KACE, then it is accepted at Ordinary Level but with a minimum of a Credit Pass.
3. Holders of a Diploma in Biological Sciences or related sciences from a recognized institution with credit or distinction, with KCSE mean grade of C or above.
4. Holders of a degree in biological sciences or related sciences from a recognized University

Renown Lab for Agriculture Training and Research

DIPLOMA PROGRAMMES

DIPLOMA IN PHYTOSANITARY MEASURES - FULL TIME

DIPLOMA IN SEED TECHNOLOGY AND BUSINESS MANAGEMENT – FULL TIME

Admission Requirements

1. Holders of KCSE or equivalent with mean grade of C plain and at least C- pass in any of the following subjects: biology, chemistry, agriculture or physics.
2. Holders of KCE or equivalent with division III and a pass in biology or chemistry, or physics or agriculture, or physical science or mathematics.
3. Holders of KACE or equivalent with at least one Principal level pass and two subsidiary passes in biology or chemistry or physics or mathematics. Holders of certificate or equivalent in agricultural, biological or environmental sciences.
4. (Holders of Diploma, Higher diploma, degree or equivalent in any natural or biological sciences

DIPLOMA IN CROP PROTECTION – FULL TIME

Admission Requirements

1. Holders of KCSE with mean grade of C plain and at least C- pass in any of the following subjects: biology, chemistry, agriculture or physics.
2. Holders of KCE with division II and at least a pass in biology or chemistry, or physics or agriculture, or physical science or mathematics.
3. Holders of KACE with at least one Principal level pass and at least subsidiary pass in biology or chemistry or physics or mathematics.
4. Holders of certificate in Crop Protection, Agriculture, Horticulture, Forestry, Environmental Science or related Plant or Biological Sciences
5. Holders of Diploma, Higher diploma or degree in any natural or biological sciences

CERTIFICATE IN SEED TECHNOLOGY AND BUSINESS MANAGEMENT- FULL TIME

CERTIFICATE IN PHYTOSANITARY MEASURES - FULL TIME

Admission Requirements

1. Holders of KCSE minimum aggregate of C- or KCE Division III or equivalent with at least D+ in biology or chemistry or agriculture or physics.
2. Holders of a degree or diploma or equivalent from an institution recognized by the University of Nairobi Senate

Certificate in Agricultural Information and Communication Management

(Full-time; Part-time; ODEL and Limited face to face available) Minimum Admission Requirements

The common regulations governing certificate course in the University of Nairobi shall apply:-

1. KCSE minimum aggregate of C- or KCE division III equivalent.
2. Diploma and/or degree (or equivalent) from an institution recognized by the University of Nairobi Senate.

COLLEGE OF ARCHITECTURE AND ENGINEERING SCHOOL OF THE BUILT ENVIRONMENT

BACHELORS PROGRAMMES

BACHELOR OF ARCHITECTURAL STUDIES/ARCHITECTURE

Admission Requirements:

(I) K.C.S.E. Candidates

Overall mean grade C+ and grade C+ in the following subject clusters: English or Kiswahili, Mathematics, Physics or Chemistry or Biology or Physical Science or Biological Science, Art and Design or Drawing and Design or Building Construction or Music or Economics or Geography or Social Education and Ethics or History & Government, Christian religious Education / Islamic Religious Education.

(II) 'A' Level Candidates or Equivalent

Two Principal passes in Mathematics and any one of the following subjects: Physics, Chemistry, Geography, Economics, Art & Design, and a credit pass in English language at K.C.E or equivalent examination.

(III) Diploma Holders

A holder of (KNEC) Diploma in Architecture, Building Construction or related fields with a pass or equivalent.

(IV) Degree Holders

A holder of a degree from a recognized University in the following: Land Economics, Building economics, Design, Civil Engineering, Surveying, Urban and Regional Planning or any other relevant degree.

In Category (iii) and (iv) above, candidates may be required to present portfolios and appear for interviews.

BACHELOR OF REAL ESTATE

Admission Requirements:

(I) K.C.S.E. Candidates

Overall mean grade C+ and grade C+ in the following subject clusters: English or Kiswahili, Mathematics, Geography or Agriculture or Building Construction or Drawing or Woodwork, Economics or Commerce or Accounts or Business Studies or Physics or Chemistry or Biology.

(II) 'A' Level Candidates or Equivalent

Two Principal passes in any of the following subjects: Economics, History, Geography, Commerce or any other relevant subject and a credit pass in English language and Mathematics at K.C.E or equivalent examination.

(III) Diploma Holders

A holder of (KNEC) Diploma in Land Surveying, or Building Construction, or Architectural Studies, Civil Engineering or Estate Agency and Property Management from University of Nairobi or any other institution of higher learning recognized by the University of Nairobi Senate.

IV)Degree Holders

A holder of a degree or its equivalent from a recognized University in the following areas: Architecture, Engineering, Design, Economics, Quantity Surveying, Construction Management, Commerce, Building Economics and Planning

BACHELOR OF QUANTITY SURVEYING

Admission Requirements:

(I) K.C.S.E. Candidates

Overall mean grade C+ and grade C+ in the following subject clusters: English, Mathematics, Physics, Geography/History and Government/Christian Religious Education, Biology/Chemistry/Business Studies/Art and Design/Agriculture.

(II) 'A' Level Candidates or Equivalent

Two Principal passes with a minimum Principal 'D' pass in either Mathematics or Physics and in any one of the following subjects: Economics, Geography and Chemistry and a credit pass in English language at K.C.E or equivalent examination.

(III) Diploma Holders

A minimum K.C.E Division II or mean grade C in K.C.S.E in addition to a credit pass or equivalent of the (KNEC) Diploma or its equivalent in : Building Construction Architectural Studies, Civil Engineering and Applied Physical Sciences.

(IV) Degree Holders

A holder of a degree or its equivalent from a recognized University in the following areas: Architecture, Engineering, Design, Economics, Commerce, Land Economics, Planning or any other relevant degree.

BACHELOR OF CONSTRUCTION MANAGEMENT

Admission Requirements:

(I) K.C.S.E. Candidates

Overall mean grade C+ and grade C+ in the following subject clusters: English, Mathematics, Physics, Geography/History and Government/Christian Religious Education, Biology/Chemistry/Business Studies/Art and Design/Agriculture.

(II) 'A' Level Candidates or Equivalent

Two Principal passes with a minimum Principal 'D' pass in either Mathematics or Physics and in any one of the following subjects: Economics, Geography and Chemistry and a credit pass in English language at K.C.E or equivalent examination.

(III) Diploma Holders

A minimum K.C.E Division II or mean grade C in K.C.S.E in addition to a credit pass or equivalent of the (KNEC) Diploma or its equivalent in : Building Construction Architectural Studies, Civil Engineering and Applied Physical Sciences.

(IV) Degree Holders

A holder of a degree or its equivalent from a recognized University in the following areas: Architecture, Engineering, Design, Economics, Commerce, Land Economics, Planning or any other relevant degree.

BACHELOR OF ARTS IN PLANNING

Admission Requirements:

(I) **K.C.S.E. Candidates:** Overall mean grade C+ and grade C+ in the following subject clusters:

Mathematics

Any Group II

Any Group III

2nd Group II, or 2nd Group III, or any Group IV, or any Group V

(Group II: Physics, Chemistry, Biology) (Group II: History and Government, Geography, Christian Religious Education, Islamic Religious Education, Hindu Religious Education) (Group IV: Home Science, Art and Design, Agriculture, Aviation Technology, Computer Studies) (Group V: French, German, Arabic, Music, Business Studies).

(ii) K.A.C.E (A – LEVEL) or Equivalent

- Two Principal passes in Mathematics or Economics and any one of the following subjects: Geography, Biology, Physics, Chemistry, History, plus a credit pass in English language at K.C.S.E or Equivalent Examination.

(iii) Diploma Holders

- A holder of (KNEC) Higher Diploma in Land Surveying, Cartography, GIS/RS, Photogrammetry, Building Construction, Architecture, Applied Sciences or related fields, or
- A holder of Ordinary Diploma (KNEC) in the above areas of study or related fields with a credit pass or equivalent, or
- A holder of (KNEC) Diploma from Science and Technical Colleges with credit passes in Mathematics, Geography, Agriculture, Forestry or Agricultural Engineering.

(iv) Degree Holders

A holder of a degree or its equivalent from a recognized University in the following subjects: Economics, Mathematics, Geography, Land Surveying, Architecture, Building Economics, Planning, Agriculture, Design, or any other relevant degree.

DIPLOMA PROGRAMMES

DIPLOMA IN ESTATE AGENCY AND PROPERTY MANAGEMENT

Admission Requirements:

(I) K.C.S.E. Candidates

Overall mean grade C or equivalent with minimum grades at C in Mathematics and English.

(II) K.C.E. Candidates

K.C.E. Certificate with a minimum of Division II and credits in Mathematics and English or Division III plus a certificate or an equivalent professional training.

(III) A' Level Candidates

K.A.C.E. qualification with a minimum of one (1) principal pass, or equivalent.

(IV) Diploma Holders

A holder of a Diploma or an equivalent qualification from an institution recognized by University of Nairobi Senate.

(V) Degree Holders

A holder of a degree from the University of Nairobi or from any other institution recognized by University of Nairobi Senate

SCHOOL OF ENGINEERING

BACHELORS PROGRAMMES

- BSc. CIVIL ENGINEERING;**
- BSc. ELECTRICAL AND ELECTRONIC ENGINEERING;**
- BSc. GEOSPATIAL ENGINEERING**
- BSc. MECHANICAL ENGINEERING;**
- BSc. ENVIRONMENTAL AND BIOSYSTEMS ENGINEERING;**

Admission Requirements:

(I) **KCSE (Kenya Certificate of Secondary Education) (or equivalent):** Minimum Mean Grade of C+ and C+ in each of the four clusters subjects: (Mathematics, Physics, Chemistry and Biology Or Group III, Group IV and Group subjects.

Group III:-History and Government, Geography
Christian Religious Education, Islamic Religious
Education, Hindu Religious Education

Group IV:-Home Science, Art and Design, Agriculture,
Aviation Technology, Computer Studies

Group V:-French, German, Arabic, Music, Business
Studies

(II) **KACE (Kenya Advanced Certificate of Education), IB (International Baccalaureat), IGCSE (a Level) Applicants (or equivalent):** 2 principal passes in Mathematics and Physics and at least a credit pass in Chemistry at the Ordinary Level of Education. For B.Sc. Geospatial applications, a credit pass in Geography shall also be acceptable in lieu of Chemistry.

(III)**Ordinary Diploma (OD) Applicants (or equivalent):** Credit Passes in the relevant disciplines.

- Higher National Diploma (HND) Applicants (or equivalent): Passes in the relevant disciplines.
- Science/Technical Diploma Applicants (or equivalent): Credit passes in Mathematics and Physics (at Diploma level).
- Bachelor of Science/Bachelor of Education (Science) degrees or any other relevant degrees in Science/Technology.
- Other Appropriate Technical Qualifications at degree level.

SCHOOL OF THE ARTS AND DESIGN

BACHELORS PROGRAMMES

BACHELOR OF ARTS DESIGN

Admission Requirements:

- KCSE (Mean C+ and C+ in Mathematics and in each of the following 3 cluster subjects:-
Group I – English/Kiswahili;
Group II – Biology/Physics/Chemistry;
Group III - History & Government/Geography/Art and Design,Agriculture/CRE;
Group IV –French/German/Arabic/Aviation Technology;
Group V – Business Studies/ Computer Studies
- KACE or equivalent, holders of 2 Principal passes, one in Art, if Art is not one of the two principal passes, candidates must have obtained CREDIT pass at KCE or equivalent examination in Art;
- Diploma holders of KNEC in Art, Architecture and any other Design related areas or equivalent examination
- Degree from a recognized university in any relevant field of Social Sciences and Engineering.In any cases candidates may require to submit a portfolio and appear for an interview

Mode of Study: Full time Integrated

COLLEGE OF BIOLOGICAL AND PHYSICAL SCIENCES

SCHOOL OF PHYSICAL SCIENCES

BACHELORS PROGRAMMES

BSc. IN GEOLOGY

Admission requirements:

- Minimum grade of C+ or its equivalent qualification in Mathematics, Chemistry and Physics or a B- in Physical Sciences.
- Holders of Ordinary Diploma in Earth Sciences or its equivalent from a recognized institution are also eligible to apply. A-level holders with 2 Principal Passes in Mathematics, Physics, Chemistry, Geography and Subsidiary passes in others will be considered.

BSc. IN ENVIRONMENTAL GEOSCIENCES

Admission requirements:

- Minimum grade of C+ in Mathematics, Chemistry and Physics or in Chemistry, Biology and Geography or in Biology, Geography and Physical Sciences.
- Holders of Ordinary Diploma in Earth Sciences or equivalent qualification will be considered. A-level holders with 2 Principal passes in any of Mathematics and Science subjects will be considered too.

BSc. IN PETROLEUM GEOSCIENCE

Admission requirements:

- Minimum grade of C+ or its equivalent qualification in Mathematics, Chemistry and Physics or a B- in Physical Sciences.
- Holders of Ordinary Diploma in Earth Sciences or its equivalent from a recognized institution are also eligible to apply. A-level holders with 2 Principal

BACHELOR OF SCIENCE IN METEOROLOGY

Admission requirements:

- Candidates should meet the minimum University and School of Physical Sciences ADMISSION requirements.
- Candidates with KCSE Certificate or equivalent must have passed with minimum grade C+ in both Mathematics and Physics.
- Candidates with A-Level Certificates or equivalent must have obtained principal passes in Mathematics and Physics
- Candidates with post O-Level Diploma Certificates must have obtained credit passes in Mathematics and Physics. Candidates with a pass in WMO Class II Certificate Course will also be considered.

BSc. IN MICROPROCESSOR TECHNOLOGY & INSTRUMENTATION

This program, designed in conjunction with the INDUSTRIAL ELECTRONICS UNIT (IEU) of the Department of Physics, provides training in such current areas as *Embedded Systems* and related technologies as well as applications in business systems, industry, and biomedical and scientific research & instrumentation.

The course is made up of 48 units, each 15 weeks, covered over 8 semesters. There are five (5) areas of specialization:

- Industrial electronics
- Computing
- Telecommunications
- Biomedical & radiometric instrumentation
- Applied physics

The mode of learning is **FULL TIME**.

BSc. in ASTRONOMY & ASTROPHYSICS

This program is designed to provide graduates with skills to work in areas of **Basic and Applied Space Sciences**, such as Satellite Space Stations, Astronomical Observatories, Space Science Centers/Institutes worldwide, Aerospace Engineering, Telecommunications Industries, Aviation & Avionics Industry, Atmospheric Sciences, Meteorology, and Remote Sensing.

The course consists of 44 units, each 15 weeks, covered over 8 semesters. Students may choose to have a strong bias in the following areas:

- Astronomy, Astrophysics & Cosmology
- Space (ionospheric) physics, Aeronomy & Paleomagnetism
- Telecommunications

The mode of learning is FULL TIME.

BSc. PHYSICS MAJOR

This program is designed to provide graduates with skills to work in areas of **Basic and Applied Physics**.

The course consists of 44 units, each 15 weeks, covered over 8 semesters in Basic and Applied Physics.

Admission requirements:

Standard University of Nairobi admission requirements apply.

- In addition, a minimum of C+ (KCSE) or Principal Pass (A-Level) in Physics and Mathematics will be required.
- Diploma holders with a Pass grade in Computer Studies, Information Technology, Science or Engineering related fields from a recognized institution and a minimum mean grade of C (plain) at KCSE will be considered.

BSc. CHEMISTRY; BSc. INDUSTRIAL CHEMISTRY; BSc. ANALYTICAL CHEMISTRY; BSc ENVIRONMENTAL CHEMISTRY

Admission Requirements:

KCSE Mean grade C+ with passes of C+ in any of the following subjects: Chemistry, biology, physics, geography, mathematics; or KACE with two principal passes one of which must be in Chemistry or diploma in Sciences

For more information contact:

Dean School of Physical Sciences, Box 30197 Nairobi

Tel: 4442482, 449004/5 Ext 2120, Email:

infoscience@uonbi.ac.ke, <http://www.uonbi.ac.ke>

SCHOOL OF BIOLOGICAL SCIENCES

BACHELORS PROGRAMMES

- BSc. IN BIOLOGY**
- Bsc. IN ENVIRONMENTAL CONSERVATION & NATURAL RESOURCE MANAGEMENT,**
- BSc. IN MICROBIOLOGY AND BIOTECHNOLOGY**
- BEd BIOLOGY (MAJOR)**
- BSc. OPEN AND DISTANCE LEARNING**

Admission requirements:

Applicants must have obtained the minimum University of Nairobi and School of Biological Sciences general admission requirements. They must have at least one of the following qualifications.

- KCSE (Mean C+) or its equivalent with minimum grade of C+ in biology/biological Sciences, and a C Plain in two Science subjects (Geography/Maths/physics/Chemistry/Physical Sciences)
- Advanced level Certificate (EACE/KACE) with two (2) Principals passes in biology/Biological Sciences and Chemistry
- Ordinary or Higher National Diploma in Biology/Biological Sciences or its equivalent
- Diploma in Science/Technology from Teachers Training Colleges or equivalent qualification in Sciences with a credit pass.
- A degree or its equivalent in Biological Sciences from a recognized University

SCHOOL OF COMPUTING AND INFORMATICS

BACHELORS PROGRAMMES

BACHELOR OF SCIENCE IN COMPUTER SCIENCE

Admission Requirements:

Candidates must satisfy the University of Nairobi general admission criteria.

Candidates with the following minimum qualifications (or equivalent qualification recognized by Senate) are eligible for admission.

- Holders of Kenya Certificate of Secondary Education (KCSE) with a minimum aggregate qualification of C+. In addition, applicants must have obtained a minimum Grade of C+ in Mathematics and Physics.
- Candidates with 2 principal passes, one of which must be in Mathematics or Physics and a subsidiary pass, with a Credit pass in Physics at 'O' level.
- Candidates with Ordinary Diploma in Computer Studies or equivalent with a pass at Credit level, from an institution recognized by Senate.
- Candidates with Higher Diploma in Computer Studies or equivalent from an institution recognized by Senate.
- Candidates with a Bachelor's degree from an institution recognized by Senate.

Mode of Study:

This is a four year full-time programme. In addition, successful completion of the first two years of the course leads to the award of a Diploma in Computer Science.

Contacts:

Detailed brochures are available at the Director's Office, SCI, Tel. Nos. 4447870/4444919/4446544.

Further information is also available at www.uonbi.ac.ke/faculties/sci, E-mail – director-sci@uonbi.ac.ke

SCHOOL OF MATHEMATICS

BACHELORS PROGRAMMES

The minimum entry requirements for undergraduate programmes in the School of Mathematics are as follows:

BSc. STATISTICS	Mean grade C+ (plus) and B(plain) in Mathematics
BSc. MATHEMATICS	Mean grade C+ (plus) and B (plain) in Mathematics
BSC. ACTUARIAL SCIENCE	Science- Mean grade B+(plus) and B+(plus) in Mathematics
BSc. MATHEMATICS AND COMPUTING	Mean grade C+ (plus) and B (plain) in Mathematics

Admission requirements:

- Diploma in statistics
- Diploma in computer studies
- Diploma in education, with mathematics as a major subject
- A – level: 2 principal passes in Maths/physics, Maths/Chem, Maths/Econom=ics
- A degree in Mathematics from a recognized University.

For more information contact:

Director, School of Mathematics
PO Box 30197, 00100 NAIROBI

POPULATION STUDIES AND RESEARCH INSTITUTE (PSRI)
SHORT COURSE

MONITORING AND EVALUATION OF POPULATION AND HEALTH PROGRAMS

The Population Studies and Research Institute (PSRI) invite applications for August 2015 admissions for the above course. This is a two-week course that is aimed at equipping program and project managers/officers, planners, and researchers in the fields of population and health with monitoring and evaluation skills. The overall goal of the course is to contribute to the improvement of the management of population and health programs and projects in the country and elsewhere and to the development of national experts of monitoring and evaluation. The course targets personnel from Government, national, regional and international agencies currently implementing and/or supporting population and health programs.

Admission Requirements

The potential applicant will have at least a university degree from a recognised university or a diploma and other relevant qualifications plus at least three years of relevant work experience. The applicant should be proficient in English. Having some analytical skills, computer and data systems knowledge would be an added advantage.

COURSE DURATION

The course is full time and will be covered in two weeks. The dates will be 18th – 30th August 2015.

COURSE CONTENT

The course is structured into the following main modules. Overview of M & E, M&E Concepts, M&E Plan, Frameworks, Indicators, Data Sources and Quality, Data analysis and Interpretation, Planning for Evaluation, M&E information in decision-making and Stakeholders Engagement for M&E.

TUTION FEES:

The tuition fees for the course will be Ksh.50, 000/=. This amount does not cover travel, accommodation and living expenses. Teas will be provided during the course sessions. The tuition fees will also cover transportation for a field visit. The training venue will be at the Main Campus, University of Nairobi, Kenya.

Application forms are available from the Director's PSRI or request from psri@uonbi.ac.ke

APPLICATION PROCEDURE

UNDERGRADUATE PROGRAMMES

Applications are invited from all qualified candidates for admissions into Certificate, Diploma and Bachelor programmes in the respective Faculties, Schools or Institutes as detailed in the supplement. Programmes listed are for September/October 2015 admission.

Application forms can be obtained from the Admissions Office Reception Room 116, located at the Main Campus of the University, Administration block, first floor. Forms can also be obtained from any of the University ExtraMural Centers in Garissa, Kakamega, Kisumu, Mombasa, Nakuru, and Nyeri, or in the University's Mombasa Campus and Kisumu Campus upon payment of a non-refundable application fee of Kshs 3,000. The application fee may be paid by Direct Deposit into the Barclays Plaza, CESSP UoN Application A/C, A/C No. 03-022-2032770838 CASH, CHEQUES AND POSTAL ORDERS WILL NOT BE ACCEPTED Application forms can also be downloaded from the University of Nairobi website: www.uonbi.ac.ke ("Admissions"), with evidence of payment of the application fee furnished at the time of application submission.

The completed application forms and deposit slips of application fees must be returned by June 26th 2015(unless otherwise noted) to:

The Academic Registrar (Admissions Reception), Main Campus, Administration Block, 1st Floor Room A116 (in person) OR any UoN Extra Mural Center OR The Academic Registrar (Admissions office), University of Nairobi, Box 30197-00100, Nairobi (via mail or courier).

Candidates who have successfully bridged in various subjects in the University of Nairobi will be eligible for admission into the relevant degree programmes and the candidates must have obtained at least a mean grade of C+ and a C- in the subject they want to bridge. Candidates who have successfully pursued certificate courses at the University of Nairobi will be eligible for admissions into relevant diploma programmes and candidates who have successfully pursued diploma courses will be eligible for admissions into relevant degree programmes.

STUDY CENTRE: Applicants must indicate in their application forms the University of Nairobi study centre/campus they would like to take their course, if course is offered in more than one Centre/Campus.

MODE OF STUDY: Applicants must indicate their preferred mode of study. A key of the available modes of study is listed below;

- I) **Full-time Integrated** - self-sponsored and Government-subsidized attending lectures together from 8am to 5pm Mondays to Fridays;
- II) **Full-time non-Integrated** - Self sponsored attending lectures separately from Government subsidized from 8am to 5pm Mondays to Fridays.;
- III) **Part-time** - Lectures are Monday to Fridays from 5.30pm to 8.30pm and Saturdays from 8am to 5pm;
- IV) **Distance mode** - Students attend residential sessions as prescribed and thereafter study on their own.
- V) **School-based** – Mainly for teachers who attend sessions during school holidays

More information can also be obtained from the admissions office, Tel: +254-20-318262 Ext. 28285 or 28213, Fax: +254-20-245566 or via email at admission@uonbi.ac.ke.

In the tables, abbreviations used are BA. (Bachelor of Arts), BSc. (Bachelor of Science), BCom (Bachelor of Commerce), MBChB (Bachelor of Medicine and Bachelor of Surgery), B Pharm. (Bachelor of Pharmacy), BEd (Bachelor in Education), Dip (Diploma), Cert. (Certificate).

Applicants from non-English speaking countries must produce a certificate of proficiency in English such as Test of English as a Foreign Language (TOEFL).

OPEN AND DISTANCE LEARNING: The University of Nairobi has embarked on 'Open and Distance Learning' mode of delivery. Currently, the following courses are being offered by distance mode: Bachelor of Education(Arts), Bachelor of Education(Science), Bachelor of Commerce, Bachelor of Arts, Bachelor of Science, and most of the diploma and certificate programmes. Other programmes are due to follow soon. This mode of delivery is intended to favour those students who may not be available to take courses either on full time or part time (evenings) basis.
