

UNIVERSITY OF NAIROBI
EXTERNAL JOB VACANCY (PROJECT POSITION)

Applications are invited for the following position:

RESEARCH MIDWIVES, STEP-Mag TRIAL PROJECT, DEPARTMENT OF OBSTETRICS & GYNAECOLOGY - AD/5/26/2025, 9 POSTS

The Position Description

The University of Nairobi – STEP-Mag Trial Project is seeking to hire nine (9) Research Midwives to undertake activities of a key WHO-funded grant in Simplified Treatment for Eclampsia Prevention using Magnesium sulfate. The Research Nurse will work closely with the Study Coordinator, Data Manager and the Study Investigators to ensure that the trial is running according to the protocol, Good Clinical Practice (GCP) and local regulatory requirements.

Job Description

- Screen and enroll eligible participants in the study by ensuring proper administration of consents procedures.
- Administer screening and enrollment questionnaire to the participants.
- Maintain register of all randomized participants.
- Prepare and maintain good filing system (both the study participants and source verification documents) for all enrolled participants.
- Prepare for quarterly external audit and monitoring visits.
- Ensure and maintain records of monthly calibration of all study equipment.
- Ensure data are collected accurately and resolve any discrepancies with data team.
- Prepare weekly, monthly and quarterly reports for the study coordinator.

Job Specifications

- Kenya Registered Nurse Midwife or Kenya Registered Community Health Nurse.
- Valid registration with relevant body.
- Two (2) years of continuous clinical experience post qualification with busy maternity unit.
- Training and experience in research and IT will have an added advantage.

Terms of appointment

This is a position whose tenure is one (1) year contract, renewable based on performance and by mutual consent.

NOTES

1. Applicants should email their application letters, certified copies of certificates and curriculum vitae (CV) giving details of their qualifications, experience and three (3) referees, as well as indicating their telephone and e-mail contacts.
2. Applications and related documents should address to the Director, Human Resource, University of Nairobi.
3. Applicants should state their current designations, salaries and other benefits attached to those designations.
4. The application letter must bear the reference code indicated in the advertisement.
5. Late applications will not be considered.
6. Applications should be emailed as one file in PDF to: recruit-researchmidwives@uonbi.ac.ke

CLOSING DATE: JUNE 4, 2025
