TALKING POINTS FOR THE VICE CHANCELLOR, PROF. PETER MBITHI DURING THE CHEQUE PRESENTATION CEREMONY BY THE RATTANSI EDUCATION TRUST ON THURSDAY, JANUARY 18, 2018 AT 9.00 A.M. AT THE UNIVERSITY OF NAIROBI, UoN TOWERS, COUNCIL CHAMBER

The University of Nairobi thanks the Rattansi Education Trust for the support accorded to its bright but needy students for the last 13 years.

Many students from the University of Nairobi have benefitted from the scholarship fund and have realized their dreams of accessing higher education. Some of the students you have sponsored have risen to be respected people of society and they continue to serve the society in various capacitites.
Last year, students from various universities in Kenya benefitted from the Kshs. 60 million donated by the Trust in commemoration of its 60th anniversary.

We thank the Chairman of the Rattansi Education Trust, Dr. Vijoo Rattansi, for her support towards scholarship opportunities to students, fundraising, and promoting the University of Nairobi brand image.

The University of Nairobi continues to establish new relationships with partners as we also nurture the existing ones. We therefore call upon corporate bodies and people of good will to emulate Dr. Rattansi and support the needy in society through education.
I also challenge our good students, who have benefitted from scholarships and bursaries, that upon graduating and securing a source of income to remember to give back to the society that supported them when they were in need.

Thank you.
